Safe and Caring School Itinerant Lori Ann Upshall presented on Digital Citizenship, Guidance Counsellor Gail Burry presented on the topic of Reducing Stress and Anxiety and Grade 7 ELA/Art Teacher Pamela Collins presented on a number of topics including Homework, Power School and the online Homework Calendar. Students also took on their parents in a great game of dodge ball during the lunch break. Feedback from surveys completed indicated that this was a very worthwhile day!

## Heritage Collegiate Remembers

Heritage Collegiate held their annual Remembrance Day assembly on Nov. 10. It was fantastic to see so many of our Heritage Collegiate community members coming together to honour those past and present who have fought in conflicts so that we can live in a wonderful and free country like Canada. A special thank-you goes out to all those who played an integral role in the assembly: Royal Canadian Legion Branch #37, Clergy, 310 Clode Sound Sea Cadets, WO Glenn Gallant (Canadian Armed Forces) and Heritage Collegiate students. A special thank-you goes out to Grade 12 Jessica Holloway who performed the Last Post and to the Clode Sound Sea Cadet band conducted by Abbi Maloney who performed God Save the Queen. There was also a special presentation to Grade 9 student Reta Leblanc. Reta's first cousin Phoebe Holloway presented her with their grandmother's (Phoebe Leblanc) medals and uniform. After the assembly, all guests were invited to have a lunch prepared by the staff and the parents support group.

## Art & Design 2200

The Art & Design 2200 students have had a very busy term. After an introduction to sketching, painting, and photography (thanks to Ms. Vicki Hicks), we have produced some phenomenal artwork! We have made a few excursions around town to photograph some of our breathtaking scenery.

## Art Club

Throughout the fall students in Art Club have produced some incredible pieces. Pictured below are some of our pumpkins masterpieces. We are currently working on a Christmas piece and judging by some comments, this will be our best piece ever! If you are interested in joining Art Club, please see Ms. Collins. We meet most Tuesdays and Thursdays after school. Listen for announcements or check the Welcome whiteboard.

# GRADE 12 CLASS

Ms. Burry (Guidance Counsellor) has met with all Grade 12 students regarding their plans after High School. For those students who are still undecided, a friendly reminder that College of the North Atlantic, Marine Institute and the private colleges are first come first serve and you may be placed on a waitlist if you do not decide soon. In terms of student loans, students will not apply for those until sometime in June. Ms. Burry will ensure that students are informed of the date and what they need to do.

## HALLOWEEN AT HERITAGE

Staff and students celebrated Halloween with a costume contest lunch time. Congratulations to the winners: First place: Spencer Chatman, Second place: Kristen Keats and Blair Smith, and Third place: Abbi Maloney and Marcus Roberston. In the afternoon, staff and students took part in a game of Battle of the Brains. Students were tested on their Halloween knowledge in the categories of music, costumes, movies, singers, treats and word search. Staff and students would like to thank the Parent Support Group for providing treat bags on that day!

### College Day at CNA

Once again, our Career Development students participated in the Collage Day program at the College of the North Atlantic Campus in Clarendville. This productive day was both interesting and insightful. Many thanks to Mrs. Tracy Holloway for her continued support with our student's post-secondary endeavours.

**Congratulations** are extended to **Holly Butt** (grade 8) on being the recipient of the **Conservatory Canada Medal for Excellence** for the Grade 4 Classical Piano Exam. This medal represents the highest mark in the Province of Newfoundland and Labrador for that piano grade. As a medal winner she was invited to attend the Conservatory Canada Annual Convocation and Awards Ceremony at the Wolf Performance Hall in London, Ontario on November 5th. There she was presented with her medal and then had the opportunity to perform one of her pieces on stage in the student recital! The day ended with a four course celebratory dinner and a performance by Frank Mills (Honorary Licentiate). This is Holly's third consecutive year receiving this highly acclaimed award! For your devotion to and pursuit of excellence we congratulate you, Holly!

2016

## CAMPING TRIP

On Thursday, October 6, 25 PE 3100/3101 students boarded a bus loaded down with gear and headed off on the annual grade 12 camping trip to Terra Nova National Park. Mother Nature was very generous and gave us sunshine and 20 degree temps during the day! Students set up tents, hiked the Coastal Trail, played on the playground, visited the touch tank at the Visitor Center, posed for many pictures, cooked meals over open fire, sang songs, played guitar and ukulele, roasted s'mores, ate burnt Jiffy Pop popcorn, played spotlight, slept in a tent, fed the grey jays, hiked the Campground Trail, had many laughs and made many lasting memories. The camp was named *Camp Injury* due to the number of injuries received during a very competitive game of spotlight!! Special thanks to Mr. Gerald Thomas and Ms. Gail Burry for accompanying us on this trip!

This year's Cross-Country Running Club consisted of 13 students from grades 7-11. Our runners participated in meets hosted by Riverside Elementary, Tricentia Academy and Bishop White School throughout the fall. Many of our runners brought home medals in these races. Congratulations to each of you on great performances!

We also had 5 runners participate in the SSNL Cross-Country Running Regional hosted by Marystown High School on October 12. McKenzie Dingwall, a grade 8 student, placed **FIRST** in the Senior Girls Division and earned the right to represent the Avalon West Region as an individual runner at the SSNL Cross-Country Running Provincial held in Stephenville on October 29. At this event, McKenzie ran against 25 senior girls from across the province and placed 5<sup>th</sup> overall! Way to go McKenzie!! We are so proud of you!!

# White Water Rafting

Twenty-one PE 3100/3101 students, along with Mrs. Blundon and Mrs. Strong, hit the rapids of the Exploits River again this fall. We learned about boat and river safety, how to rescue people from the water and bring them back into the raft, how to work/paddle as a team, brave the rapids, jump into fast moving water, ride the bull, play many fun games on the raft that often resulted in at least one person going overboard, and we even learned not to panic when one of our students didn't make it back to shore and was carried downstream and had to be rescued by one of our guides! For nearly 4 hours we traveled along the river having fun and making memories that will last a lifetime!

# HUSKY SOFTBALL

This year we were very pleased to offer after-school softball programs at the junior and senior levels. With the anticipation of our new softball field, interest in the sport is on the rise. Many of our junior players were new to the sport and very excited to work on their basic skills and learn the game. Our more experienced junior players were great role models for the beginners.

Congratulations to our Senior Boys team on winning the 3A SSNL Varsity Softball Regional against John Burke Academy, Grand Bank. They represented Avalon West at the provincial tournament in Placentia. Our Senior Girls team received a bye to the provincials that were hosted by Templeton Academy on the North Shore of the Bay of Islands. Both teams played well and were great ambassadors for our school! Special congratulations to **Blair Smith** and **Leah Peddle** for winning the team sportsmanship award at provincials.

A number of our students participate in the Clarenville Minor Softball Program that is offered in the summer months and it gives them an opportunity to really improve their skills and take their game to a higher level. For students who love the game and want to improve, this program is highly recommended.

A BIG thank you to the coaches and teacher sponsors that volunteered their time to run our softball programs: Corey Bladen, Jeff Newell, Suzette Strong, Carol Blundon, Collette Frye-Pitt, Joanne Smith, Blair Smith, Brittany Keough, Lorrie Ralph, and Paul Holloway. Also, thank you to the Lion's Club for the use of their field and to Jeff Newell for mowing the grass for us.

## Heritage Huskies hit a RECORD HIGH IN THE SPORT OF VOLLEYBALL!

We have **6 TEAMS, 80 STUDENTS**, participating in our after school programs. While all three teams experienced much success, our **Junior Boys** were extremely proud to bring home the **BRONZE medal!** Congrats to all of our junior players!

Five of our teams participated in **Volleyfest** in St. John's on October 28-29. This tournament has grown to become the largest school-based volleyball tournament in Canada. Again, many great matches and lots of excitement for our Huskies. The highlight of the tournament would definitely be the **GOLD medal** performance by our **18U Girls team** in Division C, Tier 1! Congratulations on bringing home the banner in, what is for most of you, your final year as a Husky!

Our **17U & 18U Girls** teams participated in the **Subway Classic** in Clarenville on Nov. 4-5. The **18U Girls** had a strong showing in Tier 1 and the **17U** went on to win **SILVER** in Tier 2.
